RE: Piedmont Natural Gas Company, Inc.
Notice of New Natural Gas Construction Project
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "of any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to install approximately 10 miles of 8-inch steel transmission line as an extension of Line 201, including a new regulator station at its end. This project will extend from the existing Wood River Way regulatory station in Greenville to the new regulator station to be located near Hwy 25 north of Travelers Rest. Piedmont expects to complete construction on project F02242101 by October 31, 2022.

By copy of this letter, Piedmont is also notifying the ORS of this construction pursuant to S.C. Code Ann. Reg. 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

/s/ T. Richmond McPherson III
